Responses & Reactions

- What disturbed you, challenged you, or intrigued you in this week's message?

Digging Deeper

- What would be missing from the Christian story if the Holy Spirit was left out of it? (In other words, what would be missing if we stopped with Markers 1-5?)
- *Read 1 Corinthians 1:18 - 2:6.* Why is Paul so concerned about over-relying on human wisdom? What do you think it looks like practically to over-rely on human wisdom?
 - What do you think having “the mind of Christ” makes it possible for us to understand that we wouldn't understand otherwise?

Bringing it Home

- Why are you a Christian (if you are one)? What makes this construction of Reality compelling and convincing to you?
- How have you seen or experienced the Spirit's power or activity?
