Responses & Reactions

- What disturbed you, challenged you, or intrigued you in this week's message?

Digging Deeper

- What do you make of the fact that the vast majority of Jesus' life took place in total obscurity, out of the public eye? What do you think he was doing during this time, and what should we take from this?
- *Read Genesis 28:10-19*, the story Jesus references in John 1:51. What does it mean for Jesus to be the "ladder" (or "staircase")?

Bringing it Home

- How much do you currently trust that "every story entrusted to Jesus ends in an abundance of wine"? What causes your faith to rise or fall at different points in time?***
- Mary tells the servants to "do whatever he tells you," and the miracle is born from that obedience. What has God been telling you to do that you've been ignoring or putting off?***
