Apocalypse 2020

Mark 13:24-37

Responses & Reactions

- What disturbed you, challenged you, or intrigued you in this week's message?

Digging Deeper

- *Read Mark 13:32-37 again.* What do you think Jesus means when he says "stay alert"? What do you think it looks like to be "found ready" as a Jesus-follower?
- Why do you think so many Christians through the ages, including the early Anabaptists, tried to make timelines for the end of history? Why do you think God doesn't offer a timeline (even to Jesus himself)?

Bringing it Home

- What is something you personally need to do this week in order to be alert and ready? (Examples: have a conversation with God or someone else, make an apology, offer forgiveness, give a gift, perform an act of love or service, break a habit, start a habit, etc)
- If Jesus walked through your door tonight, would you have any regrets? (*Note: this question could be for group discussion or personal reflection*)
