The Third Temple

Acts 2:1-6, 14-21

Responses & Reactions

- What disturbed you, challenged you, or intrigued you in this week's message?

Digging Deeper

- Read Ephesians 2:19-22. What do you think it means to be a "temple of God"? What would it mean for us to claim this together as our true identity?
- Are you ever tempted to speak of the Spirit as an impersonal force that you can have more or less of? What changes when we understand that the Spirit only comes as a whole?

Bringing it Home

- Share about a time when you felt God's presence especially strongly. What was going on? What did God's nearness feel like?
- If it's true that where two or three of us gather, ALL of God's presence and power is with us, what new kinds of faith or action might be possible?
