Temples Walking

1 Corinthians 6:12-20

Responses & Reactions

- What disturbed you, challenged you, or intrigued you in this week's message?

Digging Deeper

- What are the implications of seeing your body, and the bodies of other believers, as part of Christ himself?

Bringing it Home

- Discuss the questions for reflection that Meghan offered at the end of the sermon:
 - Are you using your body in ways that Jesus would be proud to be a part of?
 - Are you treating your body with the love and respect you would give to Jesus' body?
 - What might change if you really began to see the streets as full of walking temples?
 - How might you honor your brothers' and sisters' bodies if you really began to recognize these sacred bodies as part of Christ's own?
