*The Second Gift*

Luke 17:11-19

## Responses & Reactions

- What disturbed you, challenged you, or intrigued you in this week's message?

## Digging Deeper

- *Read 1 Thessalonians 5:16-18 and Philippians 4:4-7.* Why do you think the Bible so often commands gratitude or thankfulness? What difference does it make if we are thankful or not?
- Are gratitude or thankfulness even things that can effectively be "commanded," or do they have to occur somewhat spontaneously to be real?

## Bringing it Home

- What do you see when you look back? Is there anywhere you were once broken or lacking that you are now more whole?
- What do you think stops us from being (or feeling) more grateful?
