Packing the Cup

Luke 6:27-38

Responses & Reactions

- What disturbed you, challenged you, or intrigued you in this week's message?

Digging Deeper

- Respond to the statement "*Do lavish good to everyone, always, without expectation.*" Does this seem like an accurate representation of what Jesus was teaching his disciples? Why or why not? What kind of questions does such a teaching raise?
- Have you ever seen someone practice this kind of love in a notable way? What did that look like?

Bringing it Home

- Where or how are you tempted to make exceptions to Jesus' love command?
- This Advent season, how might you practice doing "lavish good" to someone outside the circle of those who consider family and friends, someone you consider an opponent or from whom you would expect no reciprocation?
