The Price of Change

Luke 19:1-10

Responses & Reactions

- What disturbed you, challenged you, or intrigued you in this week's message?

Digging Deeper

- Why do you think Jesus had a reputation for being a "friend of sinners"? When Jesus encountered someone in a deep hole of their own making, how did he respond? (give concrete examples)

Bringing it Home

- Consider an area in your life where you currently might be stuck in some unhealthy habit or pattern, and discuss the following questions:
 - Why am I doing this thing? What am I actually seeking?
 - What are my present actions costing me? What are they costing others?
 - How would my life look different if I was living in the abundant life Jesus offers?
 - What commitment am I willing to make in order to see things be different?
-
- *Note: you might want to break up into smaller groups or even pairs to discuss these very personal questions*
