Digging Deeper

- How does Jesus' sermon on "worry" in Matthew 6:25-34 reflect your experiences around the subject? How does your experience differ?
- If you were to create a list of the things that trouble you the most what would be on the top?
 - Why do you think that is?
 - Has that changed over you life?
 - In what way?

Bringing it Home

- Dealing with trouble instead of ignoring it or trying to bury it is a difficult task. What choices make that task harder or easier?
 - Have you ever experienced dealing with a difficult problem by trying to ignore it? What happened?
- If you are comfortable, take some time gathering the top worries from your group from the earlier question. Spend some extra time in praying specifically for each of those concerns.
