Digging Deeper

- Why do you think there is such a close association in Luke's gospel between Jesus and bread? (Examples: multiple manger references, 2 miraculous feedings, communion, Jesus recognized after resurrection in the breaking of bread)
- *Read Matthew 7:7-11.* What does Jesus say here about God? Do you believe this is what God is really like? Explain your answer.

Bringing it Home

- How easy or difficult is it for you in general to let yourself be served? How do you think this might affect your relationship with God?
- What changes in your view of other people if you view them as one God desires to feed? How might this be different from other possible ways of viewing people?
