- What disturbed you, challenged you, or intrigued you in this week's message?

Digging Deeper

- Did your family talk openly about money in your house growing up?
 - How do you think that impacted your experience around finances?
- Jesus talks about what we should do with our money quite a bit in the gospels. There are sermons on how to give generously, warnings about greed, and encouragement for sacrificial givers.
 - Why do you think churches shy away from financial conversations?
 - How do you think we can change that?

Bringing it Home

- Do you feel like you are honest about how & why you spend your money? Do you currently track your spending regularly?
- Do you have a plan for how you save and donate money?
 - Do you feel the temptation to "save enough" to feel safe?
- Do you know of any examples of how people have "invested" in relationships that paid off?
 - Have you experienced anyone doing that for you?
