Digging Deeper

- *Read Luke 10:17-24.* What kind of authority do you think Jesus has given Christians over evil? What does it look like for us to exercise this authority?
- Which of the three "offensive tools" are we as a church community most likely to leave out of offensive action? What about you personally? What happens when this tool is neglected?

Bringing it Home

- Where do you believe offensive action against evil may be needed?
- What would it look like for you, together with others, to step toward this evil offensively, bearing Jesus' authority?
- End in prayer together, pushing back against evil anywhere you've identified its presence.
