2 Samuel 11:1-17; 12:1-7a

Responses & Reactions

- What disturbed you, challenged you, or intrigued you in this week's message?

Digging Deeper

- How might you personally answer the question "how did this happen?" when a seemingly decent person makes a catastrophic choice?
- What kinds of habits or behaviors do you think help make it less likely that you or someone else will step over a major moral red line?

Bringing it Home

- What power are you currently holding in different areas of your life? (You might consider your family, social circle, workplace, or position in the world more generally) If you are in a group, invite others to speak into this and help you identify how you wield power that may be invisible to you.
- What does your own "arrow of becoming" look like right now? Where do you see yourself in motion, moving toward or away from something, for either better or worse?
