2 Samuel 7:1-17

## Responses & Reactions

- What disturbed you, challenged you, or intrigued you in this week's message?

## Digging Deeper

- Why do you think God preferred a tent over a temple? What difference does this make today?
- *Read Galatians 3:1-18.* What relationship do you see between the problem Paul is addressing with the Galatian Christians and the problem God is addressing with David in 2 Samuel 7?

## Bringing it Home

- How often do you find yourself operating out of a feeling of spiritual obligation or of owing God repayment? Why do you think this feeling is so hard to break away from?
- What might change about you, your life or your relationship with God if the burden of repayment was lifted?
- Spend some time together in meditation and worshipping, focusing on a God who gives it all away for free.
