Ephesians 2:4-7; Romans 6:3-5

## Responses & Reactions

- What disturbed you, challenged you, or intrigued you in this week's message?

## Digging Deeper

- Many Christians describe themselves as "followers of Jesus." What does this language capture about relationship with God? What does it miss?
- *Read Galatians 2:20.* What does this verse mean to you? What kind of experience do you think Paul is describing?

## Bringing it Home

- How would it look practically different for you to practice living into unity with Christ than for you to practice living in conformity to Christ? (Hint: you may want to read John 15:1-8)
- How are you currently being joined to Jesus in his dying and his rising? What parts of you are dying, ceasing to be? Where is new life or power stirring and growing?
