The Path to Fruit

John 5:1-11

Responses & Reactions

- What disturbed you, challenged you, or intrigued you in this week's message?

Digging Deeper

- What do you think fruitfulness actually looks like in a Christian life? What is Jesus looking for?
- What does it look like in practice to "remain" in Christ? Or to ask the question in the other direction, what does it look like to *not* remain?

Bringing it Home

- When or how have you most recently found yourself "trimmed" by encounter with Christ or his word?
- What is your next step down the path of fruitfulness? Which of the four steps Jesus outlines (get trimmed, remain, ask, obey) are you currently being invited to rediscover?
