After the Rock Falls

John 21:1-19

Responses & Reactions

- What disturbed you, challenged you, or intrigued you in this week's message?

Digging Deeper

- Put yourself in the shoes of Peter. What do you think he regretted most? What do you think he learned from it?
- *Read Luke 9:57-62.* When do you think it is useful to look backward? When, if ever, do you think it may not be helpful or appropriate? Why do you think Jesus was concerned about this?

Bringing it Home

- Do your regrets most often move you toward Jesus or away from him? Why?
- What has the pain of past regret taught you? Are there any regrets you are in danger of repeating?
