Responses & Reactions

- What disturbed you, challenged you, or intrigued you in this week's message?

Digging Deeper

- How do we work at distinguishing voices that are speaking the truth from voices that are deceiving? Where or when do you think we are most often to be confused about the difference?
- In what ways does our relationship with money shape our lives and relationships with other people? How might knowing that you have an inheritance coming (as Paul puts it) change things?

Bringing it Home

- Which of Paul's 4 "final insights"—on suffering/mission, on truth/deception, on money, or on letting go—most challenges your own life? How?
- Do you see yourself as someone likely to persist through struggle or suffering, or are you more likely to detour away from these experiences? How has this pattern impacted your life, one way or the other?
