When God Gives You Lemonade

2 Peter 3:8-13

Responses and Reactions

What disturbed you, challenged you, or intrigued you in this week's message?

Digging Deeper

If you were to create a list of all your activities in a day, how many do you think would be part of the "things that last"? Why do you think we all spend so much time on things that will not last past this life?

Can you remember the happiest moment of your life? What were the circumstances and how does it reflect the ideas presented in the sermon?

Bringing It Home

Read Philippians 4:8. How much time do you spend listening, reading, or watching information that does not fit within this grid? Where have you witnessed the damage to yourself or others because of that information created a transformation in you?

If someone were to ask you how they might follow Jesus more closely and become more like him everyday, how might you respond? Do you feel your life at the moment would reflect your answer? Why or why not?
