Responses and Reactions

What disturbed you, challenged you, or intrigued you in this week's message?

Digging Deeper

Was there a greater emphasis on healing or proclamation in whatever Christian church or tradition you were first formed in?

What are the strengths and limitations of a tradition that focuses primarily on proclamation? What are the strengths and limitations of a tradition that focuses primarily on healing?***

Bringing It Home

Whichever way you naturally lean, what would it look like in practice to begin to bring healing and proclamation together?***

What is an accessible, low-pressure way to begin making your service a sign that points to something bigger?
