*The Art of Aggressive Confusion*

1 Samuel 8:1-22

### Responses and Reactions

What disturbed you, challenged you, or intrigued you in this week's message?

### Digging Deeper

Read Isaiah 49:6. This whole chapter can be seen both as a description of what Israel was meant to be and what the coming Messiah would one day be. Can you describe how the salvation story and mission given to Israel continues as our salvation story and mission today?

### Bringing It Home

Scott offered two cautions when determining whether we are deceiving ourselves in determining whether a decision is God-honoring: 1. Does it fit your desires? 2. Does it keep you comfortable? Which of these two is most likely to trip you up in your decision-making?

How are you currently sensing God calling you out of your comfort and person desires and toward God's kingdom?
